ABOUT

Nurissah is a furniture and home decor manufacturing business based in Indonesia. We work with locally sourced natural materials and skilled artisans in the making of our products. We aim to develop and grow our business, with increasing benefits for our staff and all stakeholders. We are proud of our traditional skills and are happy to be part of promoting them to global markets

HISTORY

Nurissah was first established in 2012 and began the business in the rattan furniture industry as a finishing service. With one year of experience as a finishing service, we began in 2013 to work with some export agencies and importers. Until now we always keep a good relationship with our customers.

VISION

Our vision is to make satisfying craftsmanship furniture and satisfaction for everyone who lives around it. And the mission to lead the company of rattan furniture manufacture based in Cirebon to sustainability through product innovation, knowledge, and skills improvement. Nurissah will be a well-known supplier in international markets.
